## Cyberlockers Make Millions on Others' Creations

### Rogue Cyberlockers Built for Selling, not Storing, Stolen Content

What are cyberlockers making millions on?

#### STOLEN CONTENT

80% of content found on top cyberlockers is stolen.

The sites can make millions selling premium subscriptions and advertising – while creating nothing.

**\$96 MILLION  
IN REVENUES**

Users of cyberlockers are at risk too. Cyberlockers are loaded with malware that can **COMPROMISE YOUR IDENTITY.**

**OF THE TWENTY-FIVE SITES THAT OFFERED PREMIUM SUBSCRIPTIONS, ALL BUT ONE ACCEPTED CREDIT CARDS.**

MasterCard and Visa should adopt policies for their networks against doing business with these rogue operators.
